PROFESSIONAL SUMMARY

Aspiring Software Engineer with a strong foundation in C/C++, Data Structures & Algorithms, and Operating Systems. Experienced in building full-stack web applications using Node.js, Express, MongoDB, React, and REST APIs. Passionate about developing efficient, scalable system-level solutions and solving real-world problems through optimized code. Solved 170+ DSA problems on LeetCode & Coding Ninjas. Qualified Round 1 of The Big Code 2026.

EDUCATION

Bachelor of Engineering – Computer Science | Chandigarh University | 2023 – 2027

CGPA: 7.49

Intermediate (MPBSE) | Shree LN Academy | 2021 – 2022

Score: 83%

Matriculation (MPBSE) | Shree LN Academy | 2019 – 2020

Score: 90.33%

TECHNICAL SKILLS

Programming C++, Java

Web Development HTML, CSS, JavaScript, React.js, Node.js, Express.js

Databases MySQL, MongoDB

Tools & Platforms Git, GitHub, Postman, VS Code, Maven, TestNG

Soft Skills Problem-Solving, Teamwork, Communication, Adaptability, Time Management

PROJECTS & INTERSHIPS

Visitor Management System | Jan 2026 – Apr 2026

Technologies: Node.js, Express.js, MongoDB, JWT, REST API

- Built a full-stack Visitor Management System using Node.js, Express, MongoDB, and JWT with role-based access control.
- Developed pass generation, visitor tracking, and real-time dashboard features to enhance operational efficiency.
- Designed and implemented secure REST APIs with authentication, input validation, and scalable architecture.

Cross-Browser Testing on YouTube | Nov 2025

Technologies: Java, TestNG, Maven, Selenium

- Developed cross-browser test automation using Java and TestNG to validate web application functionality across browsers.
- Configured TestNG test suites and Maven build setup for structured, maintainable, and repeatable testing.
- Performed browser compatibility testing and documented results to ensure consistent user experience.

CERTIFICATIONS & ACHIEVEMENTS

- Web Programming (React JS) — Chandigarh University, 2025
- Advanced Data Science Using R — Chandigarh University, 2024
- Qualified Round 1 of The Big Code 2026 coding competition, showcasing strong problem-solving and competitive programming skills.
